A detailed information package (including maps and info on motels, B & B's, and campgrounds) is sent out to you upon receipt of your registration.

Accommodation at Earthwood needs to be paid in full to secure a reservation. We ask for the money upfront and nonreturnable because it is hard to fill the space last minute if students have booked elsewhere. If we are able to find someone to take your place then, of course, we will give a refund. Please tell us which guesthouse and dates and add this to your check.
